Abstract text. The abstract should convey the key points to be made in your oral or poster presentation and should provide enough information for the committee to assess its scientific quality and appropriateness for the Europt(r)ode X conference. (Arial, 10 point, justified, single-spaced, 1 blank line between paragraphs, do not indent the first line of the paragraph)

The abstract must contain the presentation title, authors' names and affiliations and the e-mail address of the corresponding author (denoted by an asterisk) in the appropriate format as shown above. The abstract text may contain figures, tables and equations. The Book of Abstracts will be printed in grayscale; color figures will only be available in the electronic version of the Book of Abstracts. Please, make sure that your color figures are also legible when printed in grayscale (Figure 1). Figures should be numbered in the order of their appearance in the text. Equations should be placed on a separate line and centered. Feel free to include references if they provide useful material to the conference participants [1]. References should be listed at the end of the abstract.
